ELDORET NATIONAL SHOW

The Agricultural Society of Kenya cordially invites you to the Eldoret National Show. The show will run from Wednesday 8th to Saturday 11th March, 2017 at Eldoret Show Ground. The opening hours will be from 6:00am to 6:00pm daily.

The show takes pride in being a great platform where farmers and small scale agricultural enterprises get a chance to exhibit and promote their products and services to key stakeholders in the agricultural sector.

Running under a new theme; **“Promoting Innovation and Technology in Agriculture and Trade”**, the Eldoret National Show will showcase significant inventions, developments and unveil new technologies in agriculture and trade.

As a Society it is our aim to spearhead the adoption of new technology for sustainable, profitable and efficient farming in Kenya. Thus we encourage all our farmers, students and entrepreneurs to attend the show to learn and engage with the various exhibitors.

Indoor and outdoor exhibition space allocation is now ongoing. Exhibitors are encouraged to make their booking and secure their place early. Booking of exhibition space will remain open until 6th March, 2017.
